From Ramsbottom / Greenmount / Holcombe Brook

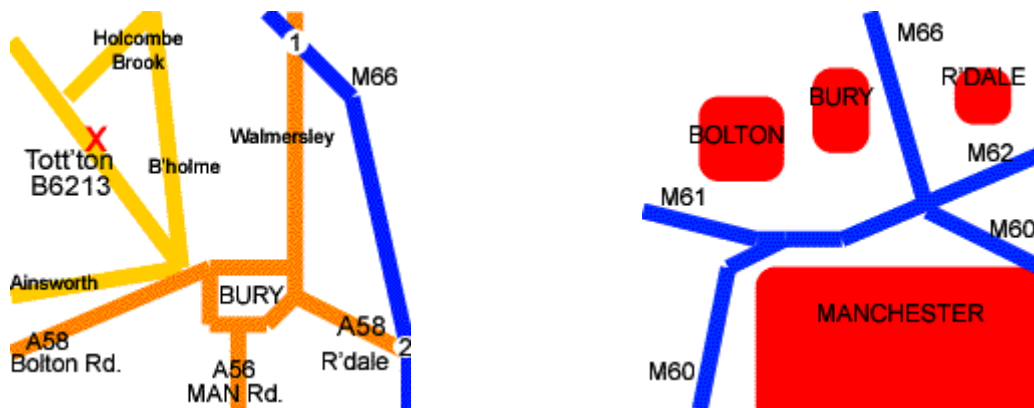

From Ramsbottom, head towards Bury and Bolton on Bolton Road West (A676) until you reach Holcombe Brook. From here continue past the junction to Brandlesholme and after about another quarter of a mile take the left turn signed Tottington / Greenmount (B6215). This is Holcome Road. Continue down this road for about 1 mile until Tottington village is reached. Go straight ahead at the junction by the Co-Op and Euronics centre. We are on the left hand side before the first mini roundabout just after the library and bus terminus.

Coming from further away?

Bury is easily found from the motorway. Take the M66 (junction 18 of the M60 / M62 north of Manchester) until junction 3 (Bury) and take the middle lane at the slip lane roundabout. Take the second exit left (follow the majority of the traffic) but take the first right up the hill after about 150m (before the BP petrol station). Follow up the hill through the first set of traffic lights until the main Rochdale Road joins from an angle. Turn left onto the main road and continue straight ahead through 5 sets of traffic lights past Tesco and McDonalds (care - this is a 30 mph zone policed by speed cameras). This is Peel Way (A56). You will then see signs for Tottington where you will turn right after the Dixon Ford showroom and before B&Q. You will then follow the directions from Bury town centre as this is Crostons Road.
